CEUs

Continuing education (CEUs) are the final decision of your school district, continuing education committee or other relevant authority. Typically, teachers can receive up to 4 CEUs for completing a 40 hour course. To obtain your CEU credit for the course, contact your principal or district LEA in charge of CEUs. You will need to present your certificate and a description of the course. You should be able to use the description from our website. If your district requires further information they are welcome to contact us for a letter.
