Menu Bar	Document Window
Status Bar	Properties Panels
Artboard	Collapsed Panels

1. _____ – Displays the file(s) you are working on.

2. _____ – White area on which printable artwork is created. Artboards are like pages in Adobe InDesign.

3. _____ – Displays the various options for each tool as you use it, commands, and options.

4. _____ – Used to monitor and modify work. Certain panels are displayed by default. You can display any panel by choosing it from the Window menu.

5. _____ – Contains tools for creating and editing images, artwork, page elements, and more. Related tools are grouped together.

6. _____ - Appears at the lower-left edge of the Document window. Displays information, zooming, and navigation controls.

7. _____ – Menus of selectable commands and options located at the top of the workspace. Illustrator, File, Edit, Object, Type, Select, Effect, View, Window, and Help comprise the Menu Bar.

8. _____ - Located across the top of the workspace. Contains application controls, the Workspace Switcher and Search.
