# ADJUSTING OBJECTS

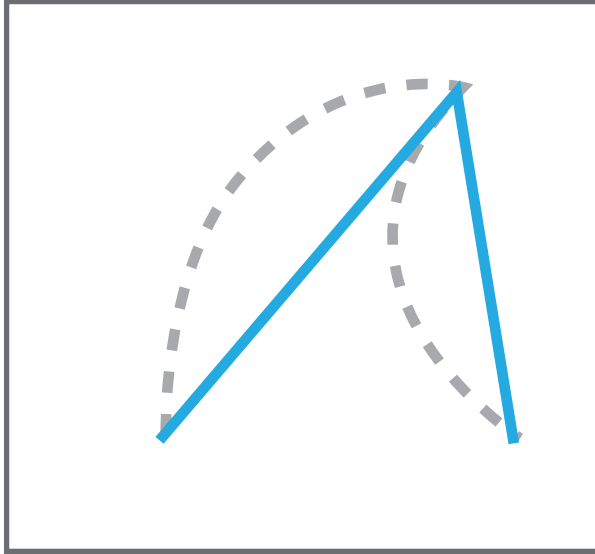

Below you will see a series of exercises, using the object on top, adjust yours using the Direct Select Tool, Add Anchor Point Tool, Delete Anchor Point Tool, and Anchor Point Tool. Your goal is to make your object, simple and complex, look like mine!

+  Add Anchor Point Tool (+)  
-  Delete Anchor Point Tool (-)  
 Anchor Point Tool (Shift+C)

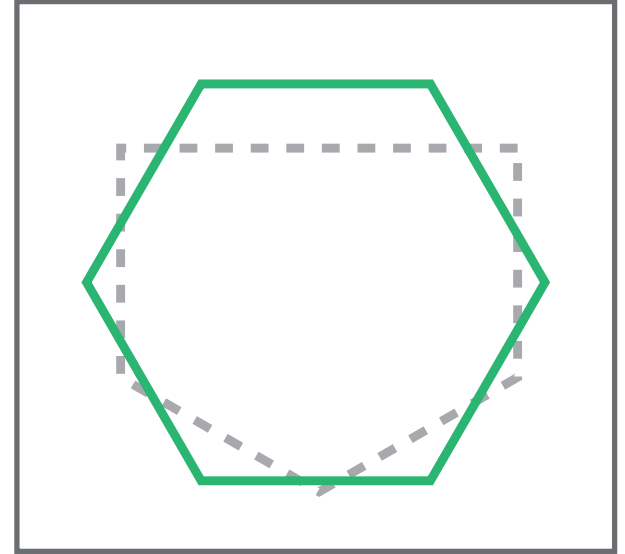

## 1. Tear Drop

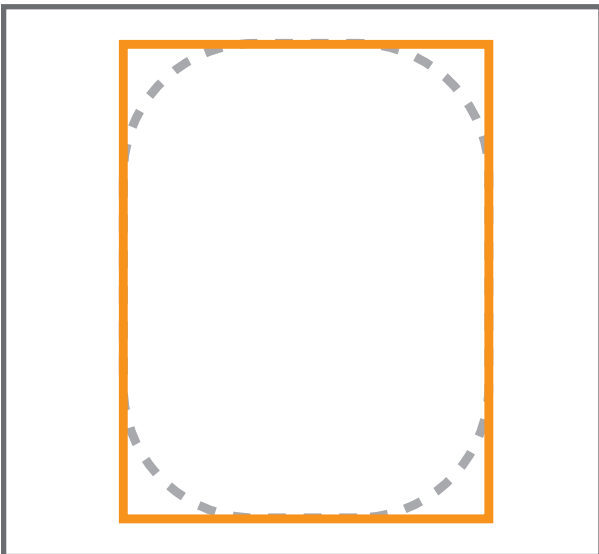

## 2. Wave

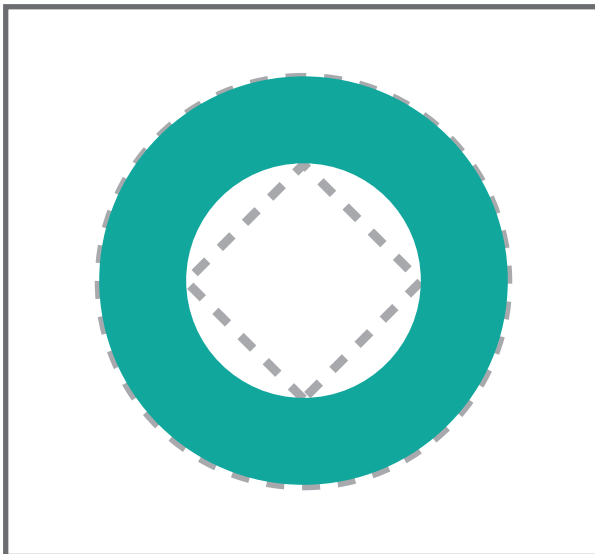

## 3. Pocket

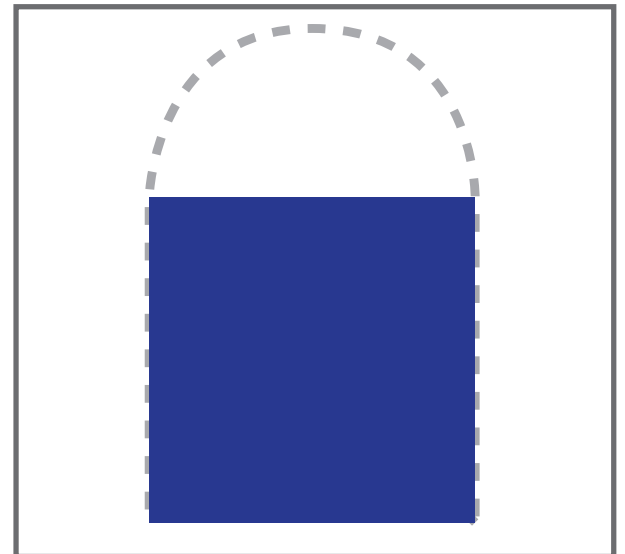

## 4. Ovtangle

## 5. Donut

## 5. Hill

**MY IMAGE:** Use this image as a reference for you to match yours too.

**YOUR IMAGE:** Use this to change to make yours match the final image.  
Use the direct select tool, anchor point tool, add anchor points, etc...to change the image below.
