TEXT: FIGURE 36

TEXT: FIGURE 47

Directions:

Read and follow the How to use symbols, patterns, and graphics styles to create a new pattern of your own made with at least 3 symbols and put a text box on top naming the pattern that has a custom graphic style on it that you created and saved into your graphics style library. Create the following:

- Symbol Sprayer
- Edited Symbol Sprayer
- Image Trace
- Your own Pattern
- Shape with Pattern fill
- Type of a Path
- Figure 36
- Figure 47

Read How to work with Text and follow the guide to see how to work with text in Illustrator. Create figure 36 and Figure 47 from the guide. Save the worksheet in a folder named Last name + First name + period + Symbol Patterns Styles Text.

When you are finished, save your worksheet as last name + first name + period + Symbols and save into the Shared Google Drive Folder.
