

INTEREST PAPER

As an advanced level student in Technology Advanced Studies, you will spend this semester working independently on projects and learn about a topic of your choice. This class gives you the freedom to express your creativity and further your studies in a field of your interest. You will need write a paper to explain where your interests lie and about a career that interests you. You will need to write about the following:

Part 1: About You

Why are you taking DM2?

What section(s) of DM2 interest you the most?

What in addition to what we will cover, what else would you like to get out of this class?

What skills or software would you like to learn more about in this class?

What would you like to focus you additional portfolio projects on and why?

What were your strengths in DM1? Weaknesses? Explain why.

Part 2: Career

Write a summary of your research.

Include whether this an area you would consider in your future? And why?

How can Digital Media help prepare you for this career?

What can you do NOW to prepare for this career? What kind of classes, jobs, volunteer work can you do?
